

## *Multigenerational Journeys*

Cindi Mirchin-Work of **Elli Travel** is a Virtuoso agent. These advisors are an elite group within the industry and maintain relationships with top hotels. “We can secure many amenities,” she notes. One trend she’s seeing in concierge travel? Multigenerational trips. Mirchin-Work designs trips to Tuscany, for instance, where whole families—from Grandma down to a kindergartener—can participate in pasta-making classes.
